Hawke's Bay Marathon

15 MAY 2021

Dear Residents and Businesses,

The fifth edition of the New Zealand Sotheby's International Realty Hawke's Bay Marathon is taking place on Saturday 15 May 2021. Hawke's Bay's stunning scenery will provide the stage for this event as it continues to be one of New Zealand's premier destination races.

The event is an annual running festival that will attract close to 8,000 participants for 2021, bringing significant economic benefits and media coverage to the local region.

This event incorporates a full range of distances to cater to all abilities including a marathon, half marathon and 10km options. Starting on West Quay in Napier, the course takes in the highlights of the region including the Napier Waterfront, Hawke's Bay Cycle trails and Road. The finish line for all events is set in the surrounds of Elephant Hill Estate & Winery.

The event offers a unique course for each distance merging with 5km to go, with a combination of running on-road and lime stone bike trails. Further event information can be found by visiting the event website – www.hawkesbaymarathon.co.nz

With an event of this size, we rely on the goodwill of businesses and residents to help us make the event a success. To assist those that live or work near or on the course, we've included a map of the traffic access plan, including road closures and parking restrictions that are in place on Saturday 15 May 2021.

All proposed temporary road closures within the Hastings District Council boundary are subject to formal approval by the Civic and Administration Subcommittee. Please take the time to familiarise yourself with the information, and share this with others, so you understand how the event and the associated road closures may affect you.
