Marathon**

**26 AUGUST 2023**

Dear Residents and Businesses,

The 7th edition of the New Zealand Sotheby's International Realty Hawke's Bay Marathon is taking place on Saturday 26 August 2023. Hawke's Bay's stunning scenery will provide the stage for this event as it continues to be one of New Zealand's premier destination races.

The New Zealand Sotheby's International Realty Hawke's Bay Marathon is an annual running festival that will attract close to 6000 participants for 2023 event, bringing significant economic benefits and media coverage to the local region.

The event incorporates a full range of distances to cater to all abilities including a marathon, half marathon and 10km options. Starting in Anderson Park in Napier, the course takes in the highlights of the region including the Napier Waterfront, Hawke's Bay Cycle Trails and Roads. The finish line for all events is set in the surrounds of Elephant Hill Estate and Winery.

The event offers a unique course for each distance merging with 10km to go, with a combination of running on-road and limestone bike trails. Further event information can be found by visiting the event website – [www.hawkesbaymarathon.co.nz](http://www.hawkesbaymarathon.co.nz)

With an event of this size, we rely on the goodwill of businesses and residents to help us make the event a success. To assist those that live or work near or on the course, we have included a map of the traffic access plan, including road closures that are in place on Saturday 26 August 2023. Please take the time to familiarize yourself with the information, and share this with others, so you understand how the event and associated road closures may affect you.
